AIRPORT AIRSIDE/LANDSIDE SUPERINTENDENT

FLSA STATUS:

Exempt

CLASS SUMMARY:

The Airport Airside/Landside Superintendent is the fourth level in a five level Airport Operations series. Incumbents are responsible for supervising and monitoring the day-to-day operations of the Fresno Yosemite International Airport and the Fresno Chandler Executive Airport, overseeing airside/landside maintenance, repair, and construction activities in compliance with Federal, State, and Local regulations, and enforcing applicable rules, regulations, and procedures pertinent to airport activities. Incumbents are also responsible for authorizing the opening and closing of aircraft operations areas, runways, and taxiways.

Distinguishing characteristics within the class, depending upon specialized area of assignment are, responsibility for planning, organizing, and using independent judgment in supervising activities associated with airside or landside operations and maintenance to include electrical and HVAC.

The Airport Airside/Landside Superintendent is distinguished from the Fresno Chandler Supervisor by its responsibility for supervising and administering day-to-day operations of the airside and/or landside components of the Operations Section. The Airport Airside/Landside Superintendent is distinguished from the Airport Operations Manager, which is responsible for managing and coordinating the day-to-day airside and landside operations of the airport. May act in the absence of the Airport Operations Manager.
